A NOSSA HISTÓRIA

OUR HISTORY

Em Setembro de 1985, a Jaben iniciou a sua atividade da área da fabricação de acessórios de casa de banho e utilidades domésticas. Adquirida pelo sócio fundador José Simões dos Reis, é uma empresa familiar que passa de geração em geração ao longo dos anos. Inicialmente focada na venda dos seus artigos no mercado nacional, rapidamente se expandiu para o mercado externo que, após cerca de 3 anos, representava já 70% da sua faturação.

Em 1995, a abertura de uma loja e armazém em Luanda para a venda de artigos fabricados e outros ligados à construção civil, permitiu aumentar ainda mais o crescimento da exportação

In September 1985, Jaben started its activity in the area of manufacturing bathroom accessories and housewares. Acquired by founding partner José Simões dos Reis, it is a family business that has been passed down from generation to generation over the years. Initially focused on selling its articles on the national market, it quickly expanded to the foreign market, which, after about 3 years, already represented 70% of its turnover.

In 1995, the opening of a store and warehouse in Luanda for the sale of manufactured goods and others related to civil construction,

e divulgação da Jaben no mercado externo. Acabaria por fechar em 2005, após a instalação da crise económica em Angola. Para completar a gama de artigos e aumentar a oferta, foi adquirida uma fábrica de cabines de duche em 2003, posteriormente fusionada com a Jaben em 2009. No mesmo ano, a empresa mudou as suas instalações para um novo pavilhão com cerca de 3500 m².

Atualmente, contamos com cerca de 35 funcionários com um elevado nível de experiência, garantindo a excelência na qualidade do fabrico e serviço prestado aos clientes.

allowed Jaben to increase its export growth and publicity on the foreign market. It would end up closing in 2005, after the onset of the economic crisis in Angola. To complete the range of items and increase the offer, a shower cabin factory was acquired in 2003, later merged with Jaben in 2009. In the same year, the company moved its facilities to a new pavilion with about 3500 m².

Currently, we have about 35 employees with a high level of experience, ensuring excellence in manufacturing quality and service provided to customers.

O NOSSO LEMA É FABRICAR BEM E BEM SERVIR, SEMPRE NUMA DIRETIVA EVOLUTIVA.

○ FUNDADOR

THE FOUNDER

Intitulado de “O Clínico das empresas doentes”, José Simões dos Reis foi o sócio fundador da Jaben.

Nascido a 25-06-1932; Falecido a 05-07-2015.

Entitled “The Clinician of sick companies”, José Simões dos Reis was the founding partner of Jaben.

Birth 06/25/1932; Death 05-07-2015.

Com apenas 21 anos de idade, partiu à descoberta de Angola investindo na sua formação e trabalhando como agente comercial da zona da Bairrada. Permaneceu neste país durante cerca de 25 anos, onde casou por procuração e mais tarde teve dois filhos. Em agosto de 1975 e perante uma situação de guerra, regressou a Portugal com muito pouco. Perante as dificuldades económicas e nunca desistindo,

At just 21 years old, he set out to discover Angola by investing in his training and working as a commercial agent in the Bairrada area. He stayed in this country for about 25 years, where he married by proxy and later had two children. In August 1975 and faced with a war situation, he returned to Portugal with very little. Faced with economic difficulties and never giving up, he dedicated himself to the purchase and sale of olive oil,

dedicou-se à compra e venda de azeite, negócio que serviu de alavanca para a fundação da própria empresa, juntamente com outros sócios. A saída dessa empresa uns anos mais tarde após incompatibilização com um dos sócios, originou a compra da Jaben, que atualmente é uma das principais indústrias da Europa de artigos de casa de banho e utilidades domésticas.

a business that served as a lever for the foundation of the company itself, together with other partners. The departure of this company a few years later after incompatibility with one of the partners, led to the purchase of Jaben, which is currently one of the main industries in Europe for bathroom articles and housewares.

RESPONSABILIDADE SOCIAL

SOCIAL RESPONSABILITY

A Jaben procura sempre apoiar e colaborar com instituições e atividades locais, contribuindo positivamente para o desenvolvimento da comunidade. É extremamente importante a responsabilização social da empresa no âmbito do desenvolvimento humano e profissional.

Jaben always seeks to support and collaborate with local institutions and activities, contributing positively to the development of the community. The social responsibility of the company in the context of human and professional development is extremely important.
